## Partners for your care.

Ambetter from Magnolia Health Plan (Ambetter) makes it easier for you to get the care you deserve—from the doctor you trust. We partner with Primary Care Providers (PCPs), specialists and other medical providers.

In this book, you'll find a list of all of the providers in our network. If you choose to visit a provider that is not part of our network, your costs for receiving care will be affected. Remember that you might need a referral from your PCP in order to get care from certain providers or specialists.

We keep our list of providers updated and produce this directory regularly. For more information about a provider in this directory, visit [Ambetter.MagnoliaHealthPlan.com](http://Ambetter.MagnoliaHealthPlan.com) or call Member Services at 1-877-687-1187 (TDD/TTY 1-877-941-9235).

---

## Your health. Your choice.

Your PCP is the main doctor you will see for most of your medical care. This includes your check-ups, sick visits and other basic health needs. When you need care, all you have to do is call your PCP for an appointment.

All Ambetter from Magnolia Health Plan members will need to select a PCP. Use this directory, visit [Ambetter.MagnoliaHealthPlan.com](http://Ambetter.MagnoliaHealthPlan.com) or call Member Services at 1-877-687-1187 (TDD/TTY 1-877-941-9235).

We believe that having a good relationship with your PCP makes it easier for you to stay healthy. Be sure to choose someone you are comfortable with as your PCP. We recommend that everyone in your family have a PCP.

This directory also includes vision and dental providers who are part of the Ambetter from Magnolia Health Plan network. If vision or dental is part of your plan, you will be covered when visiting any of the providers listed in the directory. If you did not buy a vision or dental plan, Ambetter won't cover visits to the providers listed.

***The Provider Directory has a list of all the providers in our network.***

***Make sure to bring your Ambetter Member ID card when you receive medical care or fill prescriptions.***

## Dedicated to your needs.

We understand that you might need some extra help. If you use a wheelchair, walker or another aid, let your PCP's office know when you make your appointment. Ambetter can always help you with talking to your doctor about your special needs. Just call Member Services at 1-877-687-1187 (TDD/TTY 1-877-941-9235). We can help you access your PCP's office, and someone will be ready to help you when you get there.

---

## Stay in charge.

Call your PCP if you have an illness or injury that needs attention right away. If your PCP isn't available, call our 24/7 Nurse Advice Line at 1-877-687-1187 (TDD/TTY 1-877-941-9235).

For serious emergencies, call 911 or visit the Emergency Room (ER). Call your PCP or our 24/7 Nurse Advice Line if you're not sure if you should go to the ER.

## Socios para su atención.

Ambetter de Magnolia Health Plan (Ambetter) hace más fácil que usted reciba la atención que merece—del médico en quien confía. Nos asociamos con Proveedores de atención primaria (PCP), especialistas y otros proveedores médicos.

En este libro, encontrará una lista de todos los proveedores de nuestra red. Si elige visitar a un proveedor que no sea parte de nuestra red, sus costos por recibir atención se verán afectados. Recuerde que podría necesitar una referencia de su PCP para que pueda recibir atención de ciertos proveedores o especialistas.

Mantenemos actualizada nuestra lista de proveedores y creamos este directorio con regularidad. Para obtener más información acerca de un proveedor en este directorio, visite [Ambetter.MagnoliaHealthPlan.com](http://Ambetter.MagnoliaHealthPlan.com) o llame a Servicios para los miembros al 1-877-687-1187 (TDD/TTY 1-877-941-9235).

---

## Su salud. Su decisión.

Su PCP es el médico principal que usted verá para obtener la mayor parte de su atención médica. Esto incluye sus controles de salud, visitas cuando está enfermo y otras necesidades de salud básica. Cuando necesite atención médica, todo lo que tiene que hacer es llamar a su PCP para una cita.

Todos los miembros de Ambetter de Magnolia Health Plan tendrán que elegir un PCP. Use este directorio, visite [Ambetter.MagnoliaHealthPlan.com](http://Ambetter.MagnoliaHealthPlan.com) o llame a Servicios para los miembros al 1-877-687-1187 (TDD/TTY 1-877-941-9235).

Creemos que tener una buena relación con su PCP hace más fácil que se mantenga sano. Asegúrese de elegir a alguien con quien se sienta cómodo como su PCP. Recomendamos que todos en su familia tengan un PCP.

El directorio también incluye a proveedores para la vista y dentales que son parte de la red de Ambetter de Magnolia Health Plan. Si servicios para la vista y dentales son parte de su plan, usted estará cubierto cuando visite a cualquiera de los proveedores que aparecen en el directorio. Si no compró un plan para la vista o dental, Ambetter no cubrirá visitas a los proveedores indicados.

***El Directorio de proveedores tiene una lista de todos los proveedores en nuestra red.***

***Asegúrese de llevar su tarjeta de identificación del miembro de Ambetter cuando reciba atención médica o surta recetas.***

## **Dedicados a sus necesidades.**

Entendemos que usted podría necesitar ayuda adicional. Si usa una silla de ruedas, andador u otra ayuda, infórmelo al consultorio de su PCP cuando haga su cita. Ambetter siempre puede ayudarle a hablar con su médico acerca de sus necesidades especiales. Simplemente llame a Servicios para los miembros al 1-877-687-1187 (TDD/TTY 1-877-941-9235). Le podemos ayudar a tener acceso al consultorio de su PCP, y alguien estará listo para ayudarle cuando llegue al mismo.

---

## **Manténgase a cargo de su salud.**

Llame a su PCP si tiene una enfermedad o lesión que necesite atención en seguida. Si su PCP no está disponible, llame a nuestra línea de consejo de enfermería que atiende 24/7 al 1-877-687-1187 (TDD/TTY 1-877-941-9235).

Para emergencias graves, llame al 911 o visite la sala de emergencia. Llame a su PCP o a nuestra línea de consejo de enfermería si no está seguro de si debería ir a la sala de emergencia.

### **Algunos ejemplos de emergencias médicas son:**

- Huesos rotos.
- Heridas de bala o cuchillo.
- Sangrado que no para.
- Trabajo de parto y/o sangrado durante el embarazo.
- Dolor fuerte en el pecho o infarto de miocardio
